

Hamdard Institute of Medical Sciences and Research

Hamdard Institute of Medical Sciences and Research (HIMSIR) is a University Medical college affiliated to Jamia Hamdard, a deemed University awarded an 'A' grade status by the National Assessment and Accreditation Council of India.

HIMSIR, the youngest faculty of Jamia Hamdard was established in 2011 and the first batch of 100 medical students was admitted in 2012 after getting permission from Medical Council of India. From 2012 to 2016, five batches of students have been successfully admitted in MBBS course. All admissions are through NEET (National Eligibility Entrance Examination).

HIMSIR is affiliated with state-of-art 500-bedded Hakeem Abdul Hameed Centenary Hospital (HAHC) providing standard of care in almost all disciplines of medicine.

Nestled in the lush-green campus of Jamia Hamdard, and collaborating with allied sciences being pursued in University, like Nursing, Pharmacy, Biotechnology, Health and Hospital management and Unani medicine, HIMSIR has unique advantages as an institution providing MBBS course in Delhi.
